

AHEC OF SUMMER 2025

2025- 2026 Recent High School 2025 graduates and rising seniors and juniors will have an opportunity to participate in a structured, hands-on health care learning experience led by trained educators and healthcare program supervisors. Students explore healthcare career opportunities using interactive workshops, tours, lectures, and speakers while applying their science knowledge to everyday scenarios experienced in the healthcare profession.

Applications are currently open and will close June 23, 2025. As part of this pilot program, there will be limited slots available.

*****Please note:** Selected students are required to have their own transportation to and from the facility. (Email SELAHEC1971@GMAIL.COM with questions.)
